Team Migration – Project aimed at providing counselling for and activating refugees receiving asylum benefits

This project is funded by the District of Verden as a voluntary service aimed at enabling asylum seekers to be integrated faster and better.

The services we offer you

- We advise and support you on your way into work or training
- We refer you to job vacancies
- We support you in registering for language courses
- We carry out skills assessments
- We help you to contact the employment agency

The counselling is confidential and free of charge!

How to take advantage of the offer

Arrange an initial consultation with us by phone or e-mail.
